**NIAGARA**  
CONSERVATION®

# Distribution Events

Niagara Conservation offers distribution event management services to help your utility distribute Ultra High Efficiency Toilets (UHETs), High Efficiency Toilets (HETs) and any of our other high quality products to your customers. Niagara's distribution event management service provides several key features that ensure a successful event each time:

- Pre-planning including event location planning and other logistics
- Web-based customer application process
- Event marketing assistance\*
- Event coordination and staffing
- Exceptional customer service before, during and after the events
- Superior product warranties
